Commissioner for Patents

The reply filed on 31 May 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The restriction requirement mailed 15 May 2006 set forth parts i, ii, and iii, wherein part i required, "[a] single species should be elected from claim 2", part ii required, "[a] single species should be elected from claim 4" and part iii required, "[a] single species should be elected from claim 11". In reply Applicant elected to prosecute species i, indicating that Applicant has misunderstood the conditions of the restriction requirement. By way of clarification, Applicant must elect a single species from each of parts i (claim 2), ii (claim 4) and iii (claim 11). In other words, each of parts i, ii and iii is a separate species election and Applicant must elect a single species from each for prosecution. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
